Dear Desmond,

Thanks very much for ringing me last night and for the good news about starting a branch in the Barnes area. It might interest you to know that I have now taken on the full time job of General Secretary and Organiser and I shall be in these offices most of the day. I am sorry that I was not too attentive on the 'phone last night but there was a bit of a fuss owing to my leaving.

I am sending you on a list of a few more names in your area. We got the names of these people from Brendan Quinn and you will see that some of them are marked R.C. (Roman Catholic) or S.U. (Southern Unionist). It may be just as well to try and get in touch with them for your branch meeting though I don't know how many will attend. If you could arrange to have the first meeting next week, that would be suitable. I am getting into touch myself with Frank Lee and I will give him your address and tell him all about it.

Don't hesitate to ring or write if you want any help.

All the best,

Yours sincerely,

General Secretary of the
Anti-Partition of Ireland League.
